ASA Jamboree

Swan Hills, Alberta

Next Meetings:

Combined Trail & Executive Meeting January 28, 2019 @ Ecko Marine. Meeting at 7pm. Anyone is welcome to come and join us.

Message From Your President.

Happy New Year Everyone;

First I must apologize for not getting a newsletter out to everyone sooner. This season is flying by and I don't know how time is getting away so fast.

Your executive and trail committee have been very busy working on making sure we have a top notch fully connected trail system for all to enjoy. There are rides being planned and a couple rides have already occurred.

Our Facebook Page and connected group are seeing way more activity than I have ever seen and it is fantastic! Make sure you follow us on Facebook @ABSnowmobileClub

If you are planning any rides or have been out on the trails and have photo's we want to see them. Please share them with us either via Facebook or email.

SnoMo Days 2019

Our poker rally this year is going to be held on February 16, 2019 as part of SnoMo Days in Alberta Beach. We are currently looking for volunteers for day of the rally, trail set up day prior to the rally, and we'll need volunteers for the SnoMo Days Drag Races on Sunday February 17. If you are interested in helping out please email Tyler geddes.tyler@gmail.com or 780-991-9507

We are also looking for prize donations for the Poker Rally, the letter of support for this is attached to this email.

Trail Conditions

As of Saturday, January 12, 2019 the trails are in excellent condition, they were last groomed on Wednesday January 9. There are still some rough sections as it is not yet frozen enough for us to take the groomer everywhere. The lakes are safe where the posts are, we do not check ice conditions outside of our paths across the lakes.

If you see anything on the trails that needs attention please email mclean2012@live.ca, Geddes.tyler@gmail.com or info@absnowmobileclub.com
